A KEY FACTOR WHICH GETS UNDERLOOKED BUT HAS THE MOST IMPACT IS LIGHTING. LIGHTING CREATES THE FINAL JIGSAW IN THE PIECE OF THE PUZZLE IN ANY VENUE TO ILLUMINATE IT WITH A MIXTURE OF HARD, SOFT AND PRISMATIC EFFECTS. ALL OF THESE ARE CREATED BY OUR VERY OWN IN HOUSE LIGHTING TECHNICIAN.

SPECIAL EFFECTS

WOULD YOU LIKE TO IMAGINE WHAT IT WOULD BE LIKE TO BE IN THE CLOUDS? WE CAN MAKE THAT HAPPEN WITH OUR LOW FOG EFFECT WHICH CREATES THE FEELING OF DANCING ON THE CLOUDS. WE CAN ALSO ADD A SPARKULAR FOUNTAIN EFFECT WHICH WILL LEAVE YOUR GUESTS LOOKING. AS WELL AS THAT, WE CAN EASILY TURN THINGS INTO A RAVE WITH A RANGE OF CO2 EFFECTS FROM CO2 JETS TO CO2 GUNS.

DHOL PLAYERS

WHO DOESN'T LIKE THE SOUND OF A DHOL? THE DHOL CAN GET ANY PART OF THE BODY MOVING REGARDLESS IF YOU'RE STANDING OR SITTING DOWN. WE USE THE BEST DHOL PLAYERS WITHIN OUR INDUSTRY TO INTENSIFY OUR MUSIC EXPERIENCE TO YOU.

SERVICE REVIEWS

WE WOULD LIKE TO SAY THANK YOU FOR AN ABSOLUTELY AWESOME JOB . EVERYONE HAD SUCH A GREAT DAY . THE MIXES WERE SO GREAT AND RECEIVED MANY COMPLIMENTS FROM THE GUEST .

THANKS AGAIN FROM RAVI AND LOVE

ONCE YOU GO MASTI ROADSHOW, YOU AIN'T GOING BACK ¹⁰⁰ AMAZING MUSIC ALL NIGHT, THERE WASN'T A MINUTE WHERE THE DANCEFLOOR WAS EMPTY! GOOD RATIO OF INDIAN AND ENGLISH MUSIC AS I ASKED FOR. WILL DEFINITELY BE RECOMMENDING TO FRIENDS & FAMILY !

Hi Aman, I just wanted to reach out to thank you for all that you did to make our wedding special. All the consultations and designs to make sure the day was perfect, not just on the music side but the screens and dance floor etc. You absolutely smashed it!! So many people have contacted us to say how amazing you were and how you elevated the party. We really couldn't have asked for more!! Thanks once again.

Sonia and Davinder

Hey Aman, sorry for the late response but I feel like this review needs a proper sit down! Nobody tells u you how busy married life is lol. Honestly for all of our wedding events you were incredible. I could not have asked for somebody else to DJ for my wedding. We have literally watched you grow from when you did my sisters 1st birthday party in 2008 up until my wedding reception and you're continuing to thrive! You have smashed it on so many different levels. Everyone tells me we had the best reception and our wedding was sick but that's all because of you! Thank you so much for everything you did from the pre-party all the way up until the reception. You kept everyone on their feet all night. I always recommend you to people and I always will! Thank you so much ❤️

Lots of love Jaskaran and Manisha
